### Job Description

**Job Description:**

The role involves overseeing the operations of the Marketing Division, while also engaging in hands-on tasks as a manager in sales, customer relations, and project promotion. (Company size: 50–100 employees)

Specific responsibilities include:

- Formulating and executing business strategies
- Managing company performance
- Directing digital marketing (WEB, SNS, creative) including customer relations and building relationships
- The primary target is Japanese local subsidiaries, with some inquiries from foreign and Japanese companies as well, mainly maintaining existing customer relations.

- Planning and proposing marketing strategies to customers, managing projects (collaborating with internal creative staff)
- Overall sales activities (handling inquiries, planning, proposals, signing contracts, issuing invoices)
- Reporting to the head office in Japan

**Salary:** USD 6,000–7,000 per month (Gross), negotiable based on experience and qualifications

**Benefits:** Work permit, residence card, overseas health insurance, commuting allowance, travel expenses if relocating from outside Vietnam, annual performance-based bonus, annual salary increase

---

## Required Skills

### **Required:**

- University graduate, business-level English (English is the official company language)
- Experience as a Managing Director or corporate executive in a company with 50+ employees in advertising agencies, digital marketing, or marketing consulting
- Over 15 years of sales experience in design, creative, advertising, or marketing industry; or over 15 years of experience in WEB direction or digital marketing

### **Preferred:**

- Can communicate in Japanese
- Experience in web development, web analytics
- Experience working overseas
- Knowledge of SEO and CRM software
- Venture Mind

---
