Who We Are:

WPIC Marketing + Technologies drives revenue for global brands in China, Japan, Korea, and SEA through data, analytics, e-commerce solutions, warehousing and logistics, and essential support services. Founded in Canada, with more than 350 employees in offices across 9 cities, WPIC is the world's leading APAC e-commerce and technology consultancy. Our team provides end-to-end market entry and growth solutions for global brands looking to succeed in APAC. With more than 19 years of on-the-ground experience, WPIC has successfully deployed over 650 organizations in the APAC region.

Main Responsibilities

- Graphic Design: Create visually stunning graphics for a wide range of mediums, including marketing collateral, product packaging, promotional materials, in-store signage, and digital assets such as website banners and social media content.
- Brand Identity: Ensure all graphic designs are consistent with the brand's visual identity, maintaining high standards across all visual materials.
- Digital Content Creation: Design and produce digital assets for the company's website, e-commerce platforms, and social media channels, ensuring that all content is visually engaging and optimized for different formats and devices.
- Marketing Support: Collaborate with the marketing team to develop graphics for campaigns, advertisements, email marketing, and other promotional activities, aligning with the overall marketing strategy.
- Visual Consistency: Work closely with the Visual Manager to ensure that all graphic elements used in-store and online are cohesive and reinforce the brand's message and aesthetic.
