Job Description

A leading MNC in the FMCG industry who is well-known for their food sauces and seasonings is looking for a Senior Chef to join their Food Service team.

Responsibilities:

- To design and construct menus and create new recipes to promote brand awareness.

- To provide product training to internal teams and external interest parties.

- To provide ideas and suggestions in new product development.

- To conduct culinary workshops for distributors, wholesalers, culinary school and events upon instruction from superior.

- Support planning, organizing and implementing the sampling & roadshow cooking demo.

- Maintain kitchen hygiene and safety.

- Plan and share the idea of the collaboration event activity with other companies.

- Building relationships with new customers and providing services to existing customers by visiting, sharing ideas, menu and new products for sales growth with the Sales and Marketing team.

- Costing sharing according to the menu proposal for customers.

Requirements:

- 2 years working experience as a chef or experience in the HoReCa line with culinary background.

- Good communication skills to explain internally & externally about the products and menu.

- Speciality on Chinese and Malay cuisine.

- Planning skill for the cooking demo and menu creation.

- Knowledge about food commodities, food safety and sanitation, food handling control.
