Job Description

Our client, a multinational company specializing in building management systems that enhance building operations, is currently seeking a Regional Sales Manager. This role involves liaising with customers to generate new sales and provide technical support.

Key Responsibilities:

- Plan and achieve sales objectives and monthly targets.
- Generate new customer lists alongside the existing customer base.
- Conduct client presentations with basic BMS knowledge.
- Present and introduce products/services with in-depth understanding.

Qualifications:

- Bachelor's degree in electrical and Electronic Engineering or related field.
- Min two years of related experience with basic knowledge of BMS
- Ability to travel within APEC region.
- Excellent communication and presentation skills
