Job Description

Position: Logistics

Salary: 70,000THB +/- (Negotiable)

Location: Yannawa, Bangkok

Our client is in the fashion retail industry is seeking a talented Logistics Professional for their new setup.

Position:

Responsibilities:

- End-to-end logistics and warehouse operation management, including import support.
- High-volume data processing, business data extraction, and timely reporting.

- Basic IT tasks, including sales analysis for import/export decisions (mainly Japan).
- SOP development for logistics optimization (warehouse, transportation).
- Planning and managing product processes (tagging, pick/pack, delivery).
- Overall warehouse and inventory management (including transfers, replenishment).
- System infrastructure, network security, and IT device coordination.
- Product master data and inventory data management.
- Monitoring and reporting on sales, GP, and inventory.

Qualifications:

- Proven experience in logistics and warehouse operations, preferably within the fashion retail industry.
- Strong analytical skills with the ability to process large datasets, extract business insights, and generate timely reports.
- Proficiency in developing and implementing Standard Operating Procedures (SOPs) for logistics optimization.
- Experience with inventory management systems and best practices (warehouse & store).
- Familiarity with import/export processes and international logistics, particularly with Japan.
- Basic IT literacy and understanding of system infrastructure/network security.
- Excellent communication and interpersonal skills to manage operations and coordinate with various stakeholders.
- Ability to work in a fast-paced, dynamic environment.
- A passion for the fashion industry is a plus.
