Job Description

Looking for a dedicated and strategic Indirect Procurement Lead (Assistant Manager) to oversee strategic procurement at a global industrial leader company.

Client Details

Our client is an influential player in the industrial/manufacturing industry. As a multinational company with a large organization, they are committed to embracing innovation and sustainability while delivering high-quality products and services.

Description

- Oversee and manage all indirect procurement activities
- Implement innovative procurement strategies to drive cost-effectiveness
- Establish and maintain relationships with key suppliers
- Collaborate with internal stakeholders to ensure alignment of procurement strategies with business objectives
- Lead the procurement team in contract negotiations
- Monitor supplier performance and ensure compliance with contractual obligations
- Identify opportunities for process improvements within the procurement function
- Manage risks within the supply chain and implement mitigation strategies

Job Offer

- Opportunity to work for a multinational company in the industrial/manufacturing industry
- A supportive work environment that values innovation and sustainability
- A chance to significantly impact procurement and supply chain processes
