### Job Description

We are seeking a highly analytical and detail-oriented Market Development Inventory Analyst/VMD to join our team. The successful candidate will be responsible for gathering, analyzing, and interpreting market data to support strategic decision-making and drive business growth.

#### <RESPONSIBILITIES>

- Conduct comprehensive market research and analysis to identify trends, opportunities, and threats.
- Travel and monitor the demands of online/offline stores in EMEA, responsible for VMD that is aligning with Global HQ direction.
- Analyze competitive landscape and provide insights on competitors' strategies and performance.
- Collaborate with cross-functional teams to support product development, marketing, and sales initiatives. To avoid missing sales opportunity due the lack of inventories.
- Prepare detailed reports and presentations for senior management.
- Monitor industry developments and provide regular updates to stakeholders.
- Utilize advanced analytical tools and techniques to interpret complex data sets.
- Support the development of strategic plans and business cases.
- Develop the merchandise planning process for offline /online commerce.
- Establish assortment guidelines by product and store
- Improve demand forecasting and order accuracy, and develop relevant systems

We regret to inform applicants that only shortlisted candidates will be notified. Thank you for your understanding.
