Job Description

Key Responsibilities

- Lead end-to-end procurement operations, ensuring cost-effective and timely sourcing.
- Develop robust vendor relationships and negotiate contracts that drive value.
- Strategize procurement activities in alignment with business goals.
- Ensure compliance with global standards, import/export regulations, and taxation norms.
- Optimize material sourcing for diverse categories, including lubricants, electrical components, PPE, and packaging.
- Guide, mentor, and empower the procurement team to achieve excellence.
- Drive market research initiatives to explore cost-saving opportunities.
- Collaborate with logistics and freight service providers for efficient material movement.
- Manage pricing benchmarks and conduct cost analyses for smart purchasing decisions.

Required Skills:

- B.Tech/B.E. in Mechanical Engineering + MBA in Supply Chain/Materials Management.
- 10–15 years of procurement experience in a manufacturing environment.

- Multilingual proficiency (English, Tamil, Telugu, Hindi preferred).
- Strong ethical mindset with compliance expertise.
- Exceptional leadership, negotiation, and stakeholder management skills.
- Analytical, agile, and process-driven approach to procurement excellence.
