Job Description

About Software Development at Sollers

Versatility is the keyword when it comes to what we do in IT. Development is just the beginning of a long journey where we get familiar with business, processes, and architecture. But at the end of the day, the result is always the same: a ready-to-use solution used by everyone around us.

As a Sollers developer, you'll have the opportunity to continuously expand your skill set, navigate complex challenges, and contribute to the creation of solutions that empower businesses and individuals alike.

<Company Introduction Video>

We would like to share a short video introducing our HR initiatives and employee support systems.

The video features English audio.

We hope it gives you a sense of our company culture and work environment.

https://youtu.be/CsI5sewwFwA?si=KVAIf3UyfyjSCtJ3&utm_source=careercross&utm_medium=jobsite&utm_campaign=EB_movie_full
