Job Description

- Designation - Officer / Sr. Officer - ESG/EHS

Location - Malur (Bangalore)

Job Description -

Developing and implementing safety policies, procedures, and guidelines in line with local laws and regulations.

Ensuring the highest safety compliance standards and a healthy work setting for staff, visitors, and vendors.

Monitoring and staying updated on safety regulations, codes, and standards applicable to the industry.

Supporting emergency preparedness and response efforts, including developing evacuation plans and procedures.

Investigating accidents, incidents, and near-miss events to determine root causes and implementing corrective measures to prevent a recurrence.

Collaborating with cross-functional teams to promote safety initiatives and ensure the integration of safety practices into daily operations.

Establishing and maintaining effective communication channels with external organizations, such as government bodies, safety organizations & Customer support.

Assess workplace hazards and risks and recommend appropriate measures to mitigate them.

Conduct regular inspections and audits to identify potential safety issues and ensure compliance with established safety protocols.

Provide regular safety training sessions and organize impactful safety campaigns to promote awareness.

Maintain accurate records and documentation for safety inspections, incidents, and training.

Monitor and evaluate the effectiveness of safety strategies, plans, and procedures, and adjust as needed.
Provide guidance and support to management and employees on safety-related matters.
Stay updated about emerging safety trends, regulations, and best practices to ensure continuous improvement.
