**Job Description**

We are seeking a diligent and detail-oriented individual to handle Operations/Customer Service tasks. The role requires prompt and accurate responses, acting as a key professional contact for a diverse range of clients.

**Client Details**

Our client is a global leader in transport and logistics, offering comprehensive supply chain solutions tailored to various industries and committed to excellence.

**Description**

Responsible for managing the customer support process for operations via sea and/or air-from order placement to final delivery. The role requires prompt and accurate responses, acting as a key professional contact for a diverse range of clients.

- Handle operations and ensure compliance with local and international regulations.
- Provide excellent customer service, responding to queries and issues in a timely and professional manner.
- Coordinate with stakeholders including carriers, customs, and clients to ensure smooth operations.
- Prepare necessary documentation for import procedures.

- Identify potential issues and implement preventative measures.

#### **Job Offer**

- A supportive and collaborative work environment in the logistics industry.
- A well-established company culture that values dedication and teamwork.
- Great opportunities for career progression.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Davide Capretta at +81 3 6832 8675.

---
