Job Description

Company Information

A company based nearby KLCC area is currently looking to hire a Finance Manager role, to handle Malaysia accounts, and overseas Thailand account. This role requires to assist in the consolidation process as well. Reporting to the Group Finance Manager

Key Responsibilities:

- Oversee all financial, tax, audit, and insurance matters within the region on a daily basis.
- Lead the month-end close process, including preparation of individual monthly management accounts for each company/division and consolidated accounts for presentation to the Region Manager and Group Finance Manager.

- Prepare and reconcile balance sheet accounts and other financial reports to ensure accuracy and compliance.
- Support the Region Manager in the preparation and review of budgets and forecasts. Develop budgets, forecasts (including cash flow forecasts), and update them monthly to reflect changing conditions.
- Liaise with auditors and tax consultants to ensure adherence to all tax, legal, and regulatory requirements.
- Manage banking relationships and negotiate favourable terms for banking services and facilities.
- Optimize the region's cash flow position and overall financial health.
- Supervise the invoicing process and implement efficient credit control procedures to maximize cash collections.
- Manage Accounts Receivable (AR) and Accounts Payable (AP) functions for the region.
- Train and mentor finance team members; provide financial support and guidance to the operations team.
- Conduct financial reviews and evaluations to identify opportunities for cost savings and improved efficiency.
- Foster effective team communication and identify training and development needs to enhance individual and team performance.
- Perform other duties as assigned by the Management Team.
- Identify and implement process improvements to enhance the efficiency, accuracy, and timeliness of the closing accounts and treasury functions.

Key Requirements:

- Bachelor's degree in accounting, Finance, or a related field (CPA, CA, or equivalent qualification preferred).
- Minimum of 5–7 years of relevant experience in a finance or accounting role, with at least 2 years in a leadership or regional role.
- Strong understanding of financial reporting, budgeting, forecasting, tax compliance, and internal controls.
- Proven experience with consolidated financial reporting and balance sheet reconciliations.
- Proficient in financial systems and ERP software; advanced Excel skills are essential
