Job Description

Location: Panthong, Chonburi**Bonus:** 3.5 - 4 months/year**Working day:** Monday – Friday, 08.00 – 17.00**Key Roles & Responsibilities****Cost Analysis & Reporting**

- Review Bill of Materials (BOM) and routing structures to analyze system costs versus actual data.
- Perform product cost calculations, including Standard Cost, Actual Cost, and Revision Cost.
- Consolidate product cost calculations and analyze contribution and gross margins.

Inventory Management

- Monitor inventory, conduct physical counts, and prepare monthly inventory movement reports (including reconciliation with the General Ledger).
- Coordinate monthly inventory stock-taking and manage discrepancies with related parties.

Financial Operations

- Support manufacturing sites with costing modules and ensure cost center structures are accurately established.
- Perform monthly, quarterly, and yearly financial closing activities (e.g., provisions, expenses, depreciation, and GL scrutiny).
- Assist in preparing financial statements and provide necessary details for group-level consolidated financial reporting.

Data Reporting & Analysis

- Regularly review and update key plant data for manufacturing site reporting and analysis.
- Collaborate with internal departments to address costing-related inquiries and provide actionable insights.

Other Responsibilities

- Ensure compliance with BOI, tax regulations, and legal obligations.
- Carry out additional duties as assigned by management.

Qualifications

- Bachelor's degree or higher in Cost Accounting, Accounting, Finance, Statistics, or related fields.
- Minimum 3 years of experience in manufacturing cost accounting.
- Strong knowledge of BOI (Board of Investment), tax regulations, and legal obligations related to manufacturing.
- Excellent analytical, logical, and problem-solving skills.
- Proficient in cost accounting analysis and data interpretation.
- Highly responsible, detail-oriented, and able to work under pressure.
- Strong leadership skills with a proactive mindset.
- Adaptable, well-organized, and capable of multitasking.
- Good command of both written and spoken English.
- Must own a car with a valid driving license.
