#### Job Description

We are looking for a finance and accounting professional to support controlling activities in the automotive industry. You will be responsible for supporting budget management, conducting financial analysis, and driving process optimization.

#### Client Details

Our client is a global growing automotive company, managing car dealership networks across Japan and Europe. The Japan team is based in Tokyo, offering a stable and supportive work environment with a clear succession plan.

#### Description

- Prepare and analyze financial reports to ensure accurate and timely financial data.
- Monitor and manage budget performance, ensuring alignment with organizational goals.
- Provide insights and recommendations to enhance financial efficiency and control.
- Support the month-end and year-end closing processes.
- Collaborate with internal teams to ensure compliance with financial regulations.
- Assist in the development and implementation of financial strategies.
- Conduct variance analysis and identify areas for improvement.
- Maintain accurate records and ensure data integrity across all financial systems.

## Job Offer

- Competitive salary
- Work in a stable and growing automotive business in Japan
- Permanent role offering job stability and career growth.
- Good work-life balance with flexible work style
- Clear training and handover plan

If you are ready to take your career to the next level, we encourage you to apply now!
