Job Description

A global air conditioning manufacturer is looking for a Supplier Quality Assurance Specialist. The selected candidate will be responsible for overseeing supplier quality assessments, collaborating on improvements, and ensuring adherence to company standards.

A leading provider in the HVAC industry, this company specialises in air conditioning solutions and energy-efficient systems. With a focus on innovation and sustainability, it operates globally, delivering advanced products and services to meet the needs of diverse sectors.

Keywords:

サプライヤー品質保証, HVACシステム, 品質管理, 溶接品質, 電気制御精度, 求人, 外資系

Job Ref: GU0QWC

Responsibilities:

- Conduct quality assurance assessments for OEM/ODM suppliers to ensure compliance with company standards and specifications
- Collaborate with suppliers to address quality issues, implement improvements, and ensure adherence to safety and performance requirements
- Manage quality control processes related to welding quality, electrical control accuracy, and machine performance longevity
- Perform regular audits of supplier production facilities to evaluate quality systems and processes
- Analyse product quality data and trends to identify areas for improvement in supplier performance
- Work closely with cross-functional teams to develop and implement corrective actions for quality issues
- Stay updated on industry standards, regulations, and best practices to enhance the quality assurance process

Requirements:

- Bachelor's degree or above
- 5-8 years of experience in quality assurance and quality management
- Experience with HVAC systems (wall mounted and VRF units, and light commercial equipment)
- Skilled in welding quality and precision in manufacturing equipment
- Familiarity with the requirements of residential and light commercial buildings, including villas and office equipment setups
- Fluent level Japanese and English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
