Job Description

An international investment banking firm is seeking an Investment Banking Associate - Healthcare. The selected candidate will lead financial analysis, prepare marketing materials, and support M&A transactions from origination to execution. This is a hybrid setup role.

A global investment bank with a strong presence in Japan, this firm is recognised for its deep industry knowledge and client-first approach to financial advisory services. Known for delivering strategic solutions in M&A, capital markets, and restructuring, it attracts top talent seeking impactful, high-level financial careers.

Job Ref: 77AAPO

Responsibilities:

- Prepare and analyse historical and projected financial data
- Execute M&A transactions and coordinate due diligence processes
- Develop marketing collateral, management and confidential information presentations

- Conduct valuations and ad hoc financial analyses
- Support client engagement and business development activities
- Maintain strong client relationships and communicate with internal stakeholders
- Supervise and mentor junior staff to ensure quality deliverables

Requirements:

- Bachelor's degree or above
- More than 3 years of investment banking experience
- Proven experience in financial modelling, valuation, and M&A execution
- Prior healthcare transaction experience is a plus
- Proficient in MS Office Suite

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
