Job Description

A global biotechnology company is seeking a Compliance Lead Japan. The selected candidate will ensure adherence to industry regulations, support commercial operations, and drive compliance initiatives. This is a full-remote setup role.

A leading global biotechnology company, it is dedicated to developing innovative and affordable oncology treatments, leveraging cutting-edge research and a strong commitment to patient care. With a growing presence in Japan, it focuses on advancing precision medicine and expanding access to life-changing therapies.

Job Ref: 7XAOEI

Responsibilities:

- Develop and maintain the Japan Healthcare Compliance Program in line with industry codes and best practices
- Identify and address legal and regulatory compliance risks, revising policies as needed
- Support compliance in Commercial, Medical, and Clinical Development activities, including HCP fair market value and third-party risk management
- Establish policies and procedures for fraud prevention, privacy, and transparency reporting
- Design and implement compliance training programs for employees and third parties
- Provide compliance oversight for grants, sponsorships, advisory boards, and HCP interactions
- Conduct internal reviews, risk assessments, and audits to identify and mitigate compliance risks
- Manage compliance investigations in collaboration with internal and external stakeholders
- Promote compliance awareness and maintain communication channels for reporting concerns
- Develop and execute an annual Compliance Workplan, including strategic priorities and budgeting

Requirements:

- Bachelor's degree or above in Business, Risk Management, or Law (Advanced degree preferred)
- 8-10 years of pharmaceutical compliance experience in Japan
- Experience in compliance across APAC is a plus
- Deep understanding of Japan's healthcare regulations and industry codes (JPMA, JFTC)
- Ability to influence stakeholders and collaborate across departments
- Proficiency in MS Office Suite
- Ability and willingness to travel
- Native level Japanese; business level English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
