#### Job Description

As a Senior Product Manager, you'll drive product strategy and development in an Agile, software-focused environment. You'll work cross-functionally to deliver impactful, user-centered solutions.

**Client Details**

Leading global technology company.

**Description**

- Help define and clearly communicate the product vision, strategic direction, and roadmap using insights from market research, user input, and business priorities.
- Collaborate with the product team to analyze the market, identify user needs, monitor trends, and assess the competitive landscape.

- Assist in organizing and refining the product backlog to ensure features and updates align with the overall product goals.
- Support user research initiatives and collect feedback to better understand user behavior and enhance the product experience.
- Perform competitive assessments and stay current with industry developments to uncover opportunities and support strategic planning.
- Aid in tracking product success through key performance metrics and performance indicators.
- Contribute to the creation of product-related materials such as manuals, release notes, and presentations.
- Work closely with engineering teams throughout the product lifecycle to provide clarity on requirements and ensure smooth execution.

#### Job Offer

- Working Hours: 9:00 AM - 5:30 PM
- Work Style: Remote work available
- Free access to company cafeteria

---

#### Required Skills

- Background in product management, including familiarity with core concepts, tools, and best practices.
- Practical experience with Agile/Scrum development methodologies.
- Proficient in using tools like Jira, Trello, or Asana for product planning and tracking.
- Comfortable working in diverse, cross-functional team environments.
- Strong understanding of the tech industry, ideally with experience in software or SaaS products.
- Well-versed in product development processes and methodologies.
- Knowledge of technical areas such as cloud computing, APIs, or data analytics is a plus.
