### Job Description

ITOH Patent Attorney Corporation has been delivering the best possible intellectual property services to our clients since 1967. We are seeking someone with experience in translating and proofreading patent specifications. This is a full-time position at our Tokyo office.

**Job Description:**

- Translating and proofreading technical documents in English for patent applications and other intellectual property related matters
- Coordinating with other Translators and Patent Attorneys when necessary for clarification to ensure accuracy
- Confirming that all revisions are successfully incorporated into the final application documents and are completely free of errors and inconsistencies

There are three American nationals, a Canadian, as well as Chinese, Taiwanese, and Korean staff in the same department, providing an environment where international collaboration is part of our daily operations.

---
