Job Description

A global automation company is searching for a Financial Controller. The chosen applicant will collaborate closely with business leaders, providing proactive financial support and insights to drive top-line performance and enhance profitability.

A multinational organisation that specialises in energy and automation solutions, this company is a deeply established force in the global marketplace. With a wide global network to match its long history in the industry, this company has hundreds of thousands of global workforces.

Keywords:

金融, 会計, オートメーション, エネルギー, メーカー, 外資系

Job Ref: S3XOVW

Responsibilities:

- Collaborate closely with business leaders to support long and short-term growth
- Provide proactive financial support and insights to help drive top-line performance
- Utilise advanced financial analysis techniques to interpret complex data
- Lead the financial planning and forecasting processes for assigned business units
- Act as a trusted advisor and partner to business leaders
- Drive continuous improvement in financial processes, reporting, and analysis
- Support full compliance with local regulation and company policy

Requirements:

- Bachelor's degree or above in finance, business administration, or equivalent (MBA or CPA is a plus)
- More than 10 years of experience in business partnering, FP&A, or finance controlling in a multinational corporation
- Strong leadership and communications skills
- Proficient in Japanese and English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
