Company and Job Overview

A global leader in interconnect solutions, specializing in the design and manufacturing of electrical, and fiber optic connectors, as well as cable and interconnect systems.

Job Responsibilities

- Stay updated with the latest networking technologies, industry standards, and best practices.
- Provide hands-on technical support and troubleshooting for network infrastructure including routers, switches, firewalls, and wireless access points.

- Collaborate with cross-functional IT teams to resolve complex network issues and implement new solutions.
- Monitor network performance and security, proactively identifying and resolving potential issues.
- Maintain detailed documentation of network configurations, procedures, and system changes.
- Install, configure, and maintain network hardware and software to ensure optimal performance and reliability.

Job Requirements

- 8–10 years of experience in network administration or related roles.
- Bachelor's degree in Computer Science, Information Technology, or a related discipline.
- Strong understanding of LAN/WAN architecture, MPLS, SD-WAN, VLANs, VPN technologies (PPTP, L2TP, IPSec, SSL), and network segmentation.
- Experience with network monitoring tools such as SolarWinds or Zabbix.
- Familiarity with SEM/SIEM systems, intrusion detection/prevention, and TLS/SSL encryption technologies.
- Hands-on experience with Cisco Meraki products and dashboard.
- Proven expertise in configuring and managing Cisco, Fortinet, and Sophos devices.
- Strong analytical and problem-solving skills with attention to detail.
- Excellent communication and interpersonal skills.
- Relevant certifications such as CCNA, Fortinet NSE are highly desirable.
- Experience in IT security and risk management focused on performance and reliability.
- Strong project management skills and ability to prioritize tasks effectively.
- Proficiency in using MS Visio for network diagramming.
- High level of integrity and commitment to service excellence.

Benefit

- Competitive compensation package.
- Performance-based incentive programs.
- Comprehensive health, dental, vision, and travel insurance.
- Health care spending account.
- Attractive company pension plan.
- Supportive and collaborative work environment.
- Opportunities to work on challenging and impactful projects...

Due to the high volume of applicants, we regret to inform that only shortlisted candidates will be notified. Thank you for your understanding.
