Job Description

Company and Job Overview

One of the world's largest Japanese semiconductor distributors is looking for a Customs Specialist Import-Export (f/m/d) in Ingolstadt or Munich.

Job Responsibilities

- Classification of goods in the goods tariff for export and import knowledge especially for exports to third countries (worldwide)
- Contact with the warehouse for import and export processing
- Checking ATCs and keeping registers
- Control of transportation costs
- Application for and maintenance of BTIs
- Control of deferment accounts
- Applying for new customs authorizations
- Control and maintenance of customs authorizations
- Working with BAFA (applications, orders and invoices)

- Grouping our goods according to the new European DUAL-USE LIST
- Checking compliance with all listed sanctions/embargoes
- Assistance with the organization and calculation of new goods routes
- Checking and compliance with supply chain law and packaging law
- Checking the monthly invoice from our customs service provider
- Contact person for customs offices
- Optimization of import and export processes and process documentation
- Review of sanction lists
- Compliance with customs/foreign trade regulations for exports
- Optimization of import and export processes and process documentation
- Goods routes, also across EU borders

Job Requirements

- Commercial training or experience in customs clearance import/export
- Knowledge of electronic customs tariffs and Taric
- Experience with customs software not necessary
- Good experience with EPR such as SAP
- German and English business fluent
- Home office (as hybrid) possible, place of work: Ingolstadt or Munich
