Job Description

This Senior Accountant role in the retail industry is ideal for a professional with expertise in inventory management and financial systems like SAP and Excel. This Tokyo-based opportunity involves managing J-GAAP and IFRS standards while contributing to digital transformation projects.

Client Details

The company is a well-established large organization within the retail industry, known for delivering high-quality products and fostering a structured, professional environment. The team prioritizes efficient accounting processes and maintains a strong focus on compliance and innovation.

Description

- Manage inventory accounting processes to ensure accuracy and compliance.
- Provide support for external audits by preparing reports and documentation.
- Ensure the application of J-GAAP and IFRS standards in financial reporting.
- Contribute to digital transformation (DX) projects within the accounting function.
- Use SAP and Excel to streamline financial operations and analysis.
- Prepare and review reconciliations to support accurate financial statements.
- Collaborate with cross-functional teams to enhance accounting workflows.
- Assist in identifying and implementing process improvements for efficiency.

Job Offer

- Attractive annual salary and many benefits.
- Comprehensive benefits package, including bonus, insurance, and retirement plans.
- Employee discounts on high-quality products.
- Opportunity to work in a large organization in Tokyo, a global hub for retail innovation.
- Engaging and structured work environment with growth opportunities.

If you are ready to take on a rewarding Senior Accountant role in the retail industry, we encourage you to apply today!

Page Group Japan is acting as an Employment Agency in relation to this vacancy.

Required Skills

A successful Senior Accountant OTR should have:

- Fluency in Japanese and intermediate proficiency in English.
- Knowledge of J-GAAP and IFRS frameworks preferred.
- Hands-on experience with SAP and advanced Excel skills preferred.
- Understanding of inventory management and external audit processes.
- Familiarity or interest with digital transformation (DX) initiatives in accounting.
