### Job Description

#### Company Information

A trading company based in Damansara Height is currently looking for a Finance Manager to overseas the whole finance department.

#### Key Responsibilities

- Responsible for the full spectrum of financial, accounting functions, and business support.
- Manage and lead the finance team to ensure effective day-to-day operations of overall accounting and financial functions.
- Understanding input drivers and validate the integrity of the reporting to influence strategic decision making and planning by using data to provide advice and/or disruptive ideas.

- Identify, resolve, or provide guidance on the resolution of complex data integrity issues while improving controls to address financial risk and support frugality.
- Timely and accurate monthly/annual financial (including P&L, balance sheet, etc.) and management reporting, in compliance with the applicable governing standards and regulations and group reporting requirements.
- Effectively and efficiently work with a tax agent, auditors, company secretary and bankers, and all other relevant parties.
- Preparation and implementation of budgets
- Preparation, monitor, and perform financial analysis and expenditure of the company.
- Monitor and manage cash flow, ensuring optimum cash level, and make sound recommendations on how much cash should be retained in the company, invested in capital projects, and how much should be distributed to shareholders.
- Formulate and enforce continuous improvement on financial and operations internal controls, policies, and procedures.
- To research, review, and recommend the latest technological advancements (those that are related to financial management) that are essential to the company's long-term growth plans.
- Provide strategic guidance around capital financing options to support the start-up's growth.
- Developing the corporate fundraising strategy and managing relationships with partners and investors

### Key Requirements

- Candidate must possess at least a Bachelor's Degree, Post Graduate Diploma, Professional Degree (ACCA / ICAEW / CPA), Finance/Accountancy, or equivalent.
- At least 5 years of managing Finance Operations with 3+ years of direct management experience.
- Ability to adapt and adopt to various demands and expectations of a fast-growing company including thinking, planning, and acting/executing outside the box.
