### Job Description

#### Company Overview

Our client is a renowned operator in the food and beverage industry, specializing in authentic Japanese cuisine, where they cater to a broad range of culinary tastes. They pride themselves on delivering high-quality food experiences and aspires to innovation in food services. Their focus on quality ingredients and exceptional service underpins their commitment to providing memorable dining experiences. As they continue to drive growth and expansion, they are now seeking a Procurement Manager to join their team and contribute to their ongoing success.

#### Key Responsibilities

- Collaborate with the Vice President of Procurement to develop and manage procurement strategies for 18 brands.
- Lead and manage a team of 8 procurement professionals.
- Identify and establish relationships with new suppliers while strengthening existing partnerships.
- Drive purchasing decisions to reduce costs and enhance quality through continuous process improvements.
- Analyse market trends, monitor price fluctuations, and manage associated risks.
- Work closely with internal departments, including sales, product development, and shop operations, to create seamless procurement structures.

- Ensure compliance with procurement contracts and oversee the entire supply chain.
- Prepare and present regular performance reports to management.

#### Key Requirements

- Proven experience in procurement, purchasing, or sales within the food or food service industry.
- Strong management experience, with a history of managing teams of 5 or more.
- Excellent skills in supply chain management, cost control, and vendor negotiations.
- Ability to think logically and develop effective business strategies.

Apply online or feel free to contact me directly for more information about this opportunity. Due to the high volume of applicants, we regret to inform that only shortlisted candidates will be notified. Thank you for your understanding.
