## Job Description

**Job Title:** Senior / Vessel Operator

**Location:** Singapore

**Your New Company:** A reputable and forward-thinking maritime organization with a strong footprint in the dry bulk shipping industry. The company is committed to operational excellence, regulatory compliance, and sustainable practices. You'll be joining a collaborative team that values precision and proactive problem-solving.

**Your New Role:** As a Senior / Vessel Operator, you will oversee the daily operations of a fleet of dry bulk vessels. You'll ensure smooth voyage execution, compliance with charter party terms, and effective coordination with internal and external stakeholders. **Key Responsibilities:**

- Manage daily operations for 9–10 dry bulk vessels.
- Monitor vessel positions and voyage performance in line with charter party agreements.
- Prepare hire statements and coordinate with technical teams on deductions and operational matters.
- Maintain and update operational documentation and records.
- Track and implement charter party updates and addendums.
- Review voyage reports and assess vessel performance.
- Handle Bills of Lading (BLs) and Letters of Indemnity (LOIs).
- Process and settle invoices with managers and charterers.
- Support EU-ETS and FuelEU compliance through communication and guidance.
- Utilize the IMOS system for voyage planning, documentation, and performance tracking.

#### Qualifications:

- Bachelor's degree or equivalent practical experience.
- Minimum 3 years of experience in dry bulk vessel operations, preferably with ship owners or operators.
- Proficient in using the IMOS system for operational and commercial tasks.
- Familiarity with charter party terms and marine documentation.
- Basic understanding of marine insurance and claims handling.
- Strong organizational and communication skills.
