Job Description

An international nutrition and wellness company is seeking a Senior Accountant. The selected candidate will oversee daily financial operations, ensure compliance with statutory and corporate policies, and support the business through accurate reporting and strategic insights.

A global leader in nutrition and wellness, this company empowers healthier lifestyles through science-backed products and personalised support. With decades of industry expertise and a strong presence in Japan, it offers dynamic career opportunities in a purpose-driven, people-focused environment.

Keywords:

Job Ref: 286NNY

Responsibilities:

- Prepare monthly financial statements and ensure compliance with corporate and regional reporting requirements
- Execute accurate accounting entries and manage financial data within the GBS/COE framework
- Monitor and implement local regulatory and tax compliance standards
- Provide financial analysis to support strategic business initiatives and operational efficiency

- Participate in cross-functional projects, offering financial expertise to optimise outcomes
- Build strong relationships with external stakeholders, including banks and tax agents
- Support treasury operations, including cash flow forecasting and banking matters
- Collaborate with business units on process improvements and training on financial practices

Requirements:

- Bachelor's degree or equivalent in Accounting or Finance
- 3-5 years of experience in financial management and accounting
- Proven experience in using General Ledger, Accounts Payable, and Inventory Management systems
- Proficient in MS Office Suite
- Strong skills in reconciliation, financial analysis, and reporting accuracy
- Ability to adapt to regulatory changes and participate in global projects
- Professional level Japanese and English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
