Job Description

A global leader in medical imaging technology is seeking a passionate and skilled **Clinical Application Specialist** to join their dynamic team. In this role, you will be instrumental in driving the adoption of cutting-edge radiography solutions within clinical environments.

Responsibilities:

- Provide expert clinical support and training to healthcare professionals on a range of advanced radiography systems.
- Conduct comprehensive workflow analysis and optimization to maximize the clinical effectiveness of imaging technologies.
- Collaborate with radiologists, radiographers, and other key stakeholders to ensure seamless integration of our client's solutions into their existing practices.
- Deliver engaging product demonstrations and educational presentations at conferences, workshops, and customer sites.

- Act as a trusted clinical resource, providing ongoing support and troubleshooting assistance to clients.
- Stay up-to-date on the latest advancements in radiography and medical imaging, sharing knowledge and best practices with the team.

Requirements:

- Bachelor's degree in Radiography or a related field, with professional certification as a Radiographer.
- Minimum of 1 year of clinical experience as a Radiographer, with a strong understanding of radiographic techniques and procedures.

Apply online or feel free to contact me directly for more information about this opportunity. Due to the high volume of applicants, we regret to inform that only shortlisted candidates will be notified. Thank you for your understanding.
