Job Description

As a Business Controller in the business service industry, you will oversee financial planning, reporting, and analysis while supporting high-level decision-making. This role, based in Tokyo, requires strong communication skills and the ability to collaborate with overseas business units.

Client Details

This is a permanent opportunity with a well-established organization in the business service industry. The company operates as a large organization, offering comprehensive services and a professional environment to its employees.

Description

- Prepare and oversee budget planning and forecasting processes.

- Conduct financial reporting and deliver actionable insights to stakeholders.
- Perform in-depth financial analysis to support strategic initiatives.
- Facilitate communication and collaboration with overseas business units.
- Provide financial support and recommendations to C-Level executives.
- Monitor financial performance and ensure compliance with internal policies.
- Identify areas for cost optimization and process improvement.
- Ensure accurate and timely financial data submission.

Job Offer

- Competitive salary in the range of 10,000,000 JPY to 15,000,000 JPY annually.
- Comprehensive retirement package and insurance coverage.
- Opportunity to work in a large organization with a global network.
- Professional growth and collaboration with global teams.
- Flexibility thanks to work from home (2 times per week) and flexible working hours.
- Permanent role based in Tokyo with a supportive work environment.

If you are ready to take the next step in your career as a Business Controller, we encourage you to apply today!

Page Group Japan is acting as an Employment Agency in relation to this vacancy.

Required Skills

A successful Business Controller should have:

- Fluency in Japanese and good business-level proficiency spoken and written in English.
 - Strong expertise (5 or more years) in financial planning, reporting, and analysis.
 - Proven ability to prepare budgets and forecasts effectively.
 - Excellent communication skills for liaising with overseas business units.
 - The will to take responsibility working with senior executives with financial insights.
