### Job Description

The Accountant will play a key role in maintaining accurate financial records, preparing reports, and ensuring compliance with accounting standards. This role is ideal for professionals with a background in accounting and a passion for the industrial/manufacturing industry.

### Client Details

This is an opportunity to join a well-established and growing organization within the industrial/manufacturing industry. The company operates as a medium-sized enterprise with a focus on quality, innovation, and operational excellence in Tokyo.

### Description

- Maintain and update financial records, ensuring accuracy and compliance with accounting principles.
- Prepare monthly, quarterly, and annual financial reports for management review.
- Conduct account reconciliations and resolve discrepancies in a timely manner.
- Assist in the preparation of budgets and forecasts to support business planning.
- Ensure compliance with local tax regulations and company policies.
- Collaborate with internal teams to streamline accounting processes and improve efficiency.
- Support audits by providing necessary documentation and information.

- Monitor and manage accounts payable and receivable functions.

### Job Offer

- Competitive salary of up to 6Million JPY annually.
- Performance-based bonus and benefits package.
- 2 days WFH
- Paid holiday leave and a supportive work environment in Tokyo.
- Exposure to the industrial/manufacturing industry with a focus on quality and innovation.

If you are an experienced Accountant looking to advance your career in Tokyo, we encourage you to apply today!

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Francois Yanase.

---

### Required Skills

A successful Accountant should have:

- A degree in Accounting, Finance, or a related field.
- Knowledge of accounting principles and financial reporting standards.
- Proficiency in accounting software and Microsoft Excel.
- Strong analytical and problem-solving skills.
- An ability to work independently and manage multiple priorities effectively.
- Attention to detail and a commitment to accuracy.
- Experience in the industrial/manufacturing industry is a plus.
