Job Description

The Accountant role in the FMCG industry focuses on managing financial transactions, preparing reports, and ensuring compliance with regulations. This is a great opportunity for finance professionals to contribute to a fast-paced and evolving sector.

Client Details

This is a well-established, medium-sized organization in the FMCG sector with a strong reputation for delivering quality products to its customers. The company is known for its structured operations and focus on financial excellence.

Description

- Prepare and analyze financial statements to ensure accuracy and compliance with regulations.

- Manage accounts payable and receivable processes efficiently.
- Oversee general ledger entries and resolve discrepancies promptly.
- Support tax filing processes.
- Continuously improve accounting processes for greater efficiency and accuracy.

Job Offer

- A competitive salary range of JPY 4,000,000 to JPY 6,000,000 annually plus bonus.
- Comprehensive insurance and healthcare benefits.
- Employee discounts on company products(60%).
- A permanent role with opportunities for career growth in the FMCG sector.

This is a fantastic chance for an experienced Accountant to join a respected company in the FMCG industry. Apply now to take the next step in your career!

Page Group Japan is acting as an Employment Agency in relation to this vacancy.

Required Skills

A successful Accountant should have:

- A degree in Accounting, Finance, or a related field.
 - Experience in financial reporting, preferably within the FMCG, Retail industry or a listed company.
 - Strong analytical skills with attention to detail.
 - An understanding of tax regulations and accounting standards.
 - Excellent organizational and time-management skills.
