Job Description

The Finance Director will oversee all financial operations, ensuring accurate reporting and strategic planning within the industrial/manufacturing sector. This role is based in Kobe and requires expertise in accounting and finance to support organizational growth.

Client Details

This opportunity is with a well-established company in the industrial/manufacturing sector. As a mid-sized organization, they are recognized for their robust operations and commitment to achieving excellence in their field.

Description

- Lead and manage all aspects of financial planning, budgeting, and forecasting.
- Ensure compliance with local and international financial regulations.
- Oversee the preparation of accurate and timely financial reports.
- Provide strategic recommendations to support business objectives.
- Monitor and manage cash flow, investments, and financial risk.
- Collaborate with cross-functional teams to align financial goals with operational strategies.
- Supervise and mentor the accounting and finance team to enhance performance.

- Work closely with external auditors and stakeholders to maintain transparency.

Job Offer

- Competitive annual salary ranging from 14,400,000 JPY to 17,600,000 JPY.
- Performance-based bonus of up to 20%.
- Opportunities for professional growth in a mid-sized industrial/manufacturing organization.
- Collaborative work environment in the Kobe office.
- Comprehensive support for career development.

If you are an experienced finance professional looking to make an impact in the industrial/manufacturing sector, apply today to join this exciting opportunity in Kobe!

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Christopher Agomuo on +81366276115.

Required Skills

A successful Finance Director should have:

- A strong background in accounting and finance, ideally within the industrial/manufacturing sector.
 - Proven leadership skills to manage and inspire a finance team.
 - Experience in financial planning, analysis, and reporting.
 - Knowledge of compliance with local and international financial regulations.
 - Excellent problem-solving and decision-making abilities.
 - Proficiency in financial software and tools.
 - A degree in accounting, finance, or a related field.
-

Company Description

Global leader in metal flow engineering, providing a full range of engineering services and solutions to its customers worldwide,
