Job Description

Title: Sales Executive (Simulation Software)

Our client, a leading provider of engineering simulation solutions, is seeking a passionate and driven Sales Executive to join their team.

Job Description:

- Identify and develop new business opportunities with both existing and prospective customers.
- Initiate and manage outreach activities to engage potential partners across commercial, academic, and other sectors.
- Conduct sales activities including cold calling, lead generation, and pipeline development.
- Consult with prospects throughout the full sales cycle—from initial engagement to deal closure.

- Qualify leads based on company-defined criteria to ensure alignment and readiness.
- Collaborate with technical teams and product specialists to address customer needs and propose tailored solutions.
- Partner with marketing to plan and execute lead generation campaigns across various channels.

If you are interested, click **APPLY NOW**. Please note that only shortlisted candidates will be contacted due to the high number of applicants. Thank you for understanding.
