Job Description

The position involves monitoring live streams and pre-uploaded videos (in English and Japanese) to ensure compliance with established regulations.

Client Details

Leading IT outsourcing service provider. The company is recognized for its innovative solutions and has a strong presence in global markets. It is committed to creating a diverse and inclusive work environment.

Description

The position involves monitoring live streams and pre-uploaded videos (in English and Japanese) to ensure compliance with established regulations.

-Monitor live feeds for potential rule violations.

-Ensure audio content follows regulatory guidelines.

- Check for restricted words and inappropriate content.
- Review and moderate user-generated content to ensure compliance with platform guidelines.
- Identify and address inappropriate or harmful content effectively and efficiently.
- Provide feedback and suggestions to improve content moderation processes.
- Collaborate with team members to maintain platform safety and integrity
- Document and report any recurring issues or trends in content violations.

Job Offer

- Fixed-term contract with potential for future opportunities.
- Supportive and professional work environment focused on employee growth.
- Benefit from comprehensive training to enhance your skills in content moderation.
- Career progression opportunities to leadership positions

If you are ready to bring your expertise in content moderation to a rewarding role in Ikebukuro, we encourage you to apply today!
