Job Description

Requirements:

- Experienced and knowledgeable in Logistics, bonded zone, export-import, and ISO

Responsibilities:

- Ensure all logistics activities and administration comply with government regulations, especially for bonded zone areas.
- Guarantee that all logistics activities and administration fully support the company's daily operational needs, both incoming and outgoing.
- Ensure full compliance of logistics activities and administration with ISO certification standards, including ISO 9001, 14001, and 45001.
- Manage all logistics activities and administration, including import, export, domestic deliveries to customers, and domestic receipts from suppliers.

- Coordinate effectively with other departments utilizing logistics services to provide optimal support for all internal users.
- Routinely evaluate all logistics activities and administration to identify and implement continuous improvements.
- Achieve more efficient and cost-effective logistics operations.
- Continuously improve the quality and competency of all team members within the logistics department.
