Job Description

Urgent Hiring!

Specific Condition: Fluent in English and experience working with expatriates.

We are looking for an **Assistant Project Manager** who will be **fully in charge of the Air Dome construction and installation at site**, on behalf of our client.

The structures are semi-permanent and lightweight, similar to **prefabricated warehouses, industrial modular buildings, sports halls, or temporary event halls**. The role requires strong site management skills, multi-discipline knowledge, and experience leading a team efficiently.

Qualifications:

- **Minimum 10 years of experience leading construction projects**, preferably in semi-permanent lightweight structures, prefabricated buildings, or modular industrial facilities.
- **Proven ability to lead a site team and manage medium-to-large scale site operations.**
- **Strong understanding of site documentation, HSE, and safety management.**

- Bachelor's degree in civil engineering, MEP Engineering, Construction Management, or related field.
- **Knowledge of civil and MEP disciplines is preferred.**

Responsibilities

- **Be fully responsible for all on-site activities** for Air Dome construction and installation.
- **Lead and manage a team of 15–20 workers** on site.
- **Ensure all technical specifications and design requirements are met.**
- **Manage subcontractors, suppliers, and coordinate multi-discipline work (civil + MEP).**
- Ensure timely, safe, and cost-effective completion of the project.
- Maintain project documentation, HSE compliance, and safety procedures.

Think you tick all the boxes? Great!

After applying, **send me a DM on my LinkedIn (Milysa Tjandra) briefly explaining why you're the best fit for this role.**

Your next big career move starts here!
