## Job Description

### COMPANY OVERVIEW

The company is Japan's largest and one of the world's leading steelmakers, with manufacturing facilities in Japan and more than 15 countries worldwide. The company's group promotes four business fields: Engineering, Chemicals & Materials, and System Solutions, with the steelmaking business at its core. The four pillars of the management plan are "Restructuring the domestic steelmaking business and strengthening group management," "Promoting a global strategy to evolve and expand overseas businesses," "Taking on the challenge of becoming carbon neutral," and "Promoting a digital transformation strategy. Aiming to become "the world's No. 1 steelmaker in terms of comprehensive strength," we will pursue the world's best technologies and manufacturing capabilities, and contribute to the development of society by providing superior products and services.
