- A degree in Accounting, Finance, or a related field.
- Proven experience in financial management within the retail industry.
- Strong analytical and problem-solving skills.
- Proficiency in financial software and accounting systems.
- Knowledge of regulatory standards and compliance requirements.
- Excellent communication and leadership abilities.

Company Description

Our client is a global leader in automotive components, supplying high-quality systems to major manufacturers. With a stable presence in Japan and close collaboration with European headquarters, the company specializes in body design and premium roof modules for luxury vehicles. As Finance Manager, you will lead full-cycle finance operations across two entities, including monthly closing, tax, FP&A, and reporting. You'll work hands-on with SAP, drive process improvements, and collaborate with international teams in Germany and Austria, while managing a small, experienced team in a flexible and supportive environment.
