Job Description

Why should you apply?

- You will be rubbing shoulders with some of the best in the business
- Not only will you apply your skills and knowledge, but you will also learn and grow and expand them
- The environment is dynamic and hugely enriching

This is the chance to contribute to building a truly revolutionary product and work with some of the top talent in the industry, and a passionate CEO who personally guides his team from the front line.

Required Skills

Who are you?

- A natural innovator who wants to push themselves further
- Someone who lives and breathes AI and has strong knowledge of NLP and ML techniques
- A little knowledge/interest in Blockchain doesn't hurt either (not a pre-requisite)
