Job Description

Job Title: Group Financial Controller

Location: Singapore - Central

Your New Company

A Singapore-based distributor specializing in mobile phones, IT products, and consumer electronics has established a strong footprint across Asia and emerging markets. Founded in 2003, the organization has built a reputation for bridging global brands with underserved regions through strategic distribution and localized market development. With operations spanning 12 countries including offices in Sri Lanka, Myanmar, Nepal, and Bangladesh, it emphasizes customer-centric sales, long-term partnerships, and tailored support for retailers. Its agile approach and deep regional expertise make it a trusted partner for brands seeking growth in high-potential markets.

Your New Role

- Lead monthly and quarterly business reviews with country and brand teams.
- Prepare and analyze management reports (MIS) at country, brand, and product levels.
- Identify key business insights and performance trends for leadership and shareholders.

- Improve financial controls and operational efficiency across regional markets.
- Develop and execute risk-based audit programs for in-country operations.
- Oversee contract administration and ensure compliance with principal/vendor agreements.
- Manage customer credit terms in partnership with the Accounting Head.
- Lead process mapping and SOP documentation for finance and logistics functions.
- Support ERP implementation (SAP B1 or Netsuite) and ensure system compliance.
- Conduct on-ground reviews and support country teams in resolving operational issues.
- Chair audit closing meetings and present findings to management.
- Ensure compliance with internal policies, laws, and technical standards.
- Drive continuous improvement in processes and risk management.

Key Qualifications for Success

- Minimum 15 years of experience in audit and/or finance within consumer goods or electronics.
- Proven track record in cross-border operations across developing Asia markets.
- Strong analytical skills with experience in management reporting and KPI analysis.
- Expertise in contract management, customer credit optimization, and policy documentation.
- Experience in logistics/supply chain operations and inventory cost optimization.
- Leadership experience managing teams of 10+ across geographies.
- Hands-on experience in auditing and reviewing regional operations.
- Strategic thinker with problem-solving capabilities.
- Proficient in ERP systems (SAP B1 or Netsuite) and report generation.
- Ability to work effectively with cross-functional teams and local market leaders.
