Job Description

This role supports budgeting, reporting, and financial analysis across key business units. It also contributes to cost control initiatives and cross-functional projects

Client Details

This global pharmaceutical organization is known for its long-standing commitment to innovation and patient care. With a strong presence in Japan, it offers a stable yet dynamic environment where employees are encouraged to grow and explore international opportunities. The company fosters a culture of inclusion, ethical values, and continuous learning. Its reinvestment in research and development reflects a deep dedication to advancing healthcare solutions.

Description

- Coordinate budgeting processes and support planning activities
- Prepare financial reports and performance analyses
- Monitor actual vs. forecasted results and update projections
- Identify cost-saving opportunities and support cost control
- Ensure compliance with internal and external accounting standards
- Participate in cross-functional projects and communicate financial insights

Job Offer

- Competitive compensation with performance incentives
- International mobility and internal career development
- Inclusive and ethical work culture
- Exposure to global finance operations
- Stable environment with strong benefits
