Job Description

Join a regional finance team supporting strategic decisions across Asia and Oceania. This role blends financial analysis, pricing strategy, and cross-functional collaboration to drive growth.

Client Details

This global commercial vehicle manufacturer blends decades of craftsmanship with cutting-edge innovation. With a strong presence across over 170 markets, the company is known for its commitment to quality, sustainability, and forward-thinking solutions. The finance team plays a key role in enabling global success through data-driven planning and performance insights.

Description

- Collaborate with Sales to manage market financial performance
- Coordinate pricing and discount approvals for new vehicles
- Calculate product and project pricing across regions
- Analyse KPIs and prepare strategic reports and plans
- Ensure accurate cost and revenue tracking
- Support cross-functional projects and strategic initiatives

Job Offer

- Flexible working hours with no core time
- Remote work policy available
- Competitive salary with performance-based bonuses
- Comprehensive allowances (commuting, housing, child, etc.)
- Career development in a global, multicultural environment
- Generous holiday and leave policies

Required Skills

- Degree in Finance, Controlling, or Business Administration
 - CPA or equivalent is a plus
 - Experience in global business or large-scale projects preferred
 - Strong analytical and communication skills
 - Familiarity with SAP, Power BI, and Microsoft Office tools
 - Business-level English; Japanese is a plus but not required
-
