### Job Description

- Lead and contribute to the development of large-scale master plans across diverse geographies.
- Collaborate with multidisciplinary teams including architects, landscape architects, engineers, and sustainability experts.
- Engage with clients, stakeholders, and communities to understand needs and translate them into innovative planning solutions.
- Conduct site analysis, zoning studies, and feasibility assessments.
- Strong concept design, masterplanning, and visualisation skills.

#### Requirements:

- A professional degree in Architecture or Landscape with a master's in urban design
- 5-8+ years post-qualification experience working on medium and/or large-scale urban design/master planning projects (project experience from the Middle East is a plus)

Apply online or feel free to contact me directly for more information about this opportunity. Due to the high volume of applicants, we regret to inform that only shortlisted candidates will be notified. Thank you for your understanding.
