Job Description

Manufacturing and trading of industrial products including the production

of electrical wiring equipment.

Management Scope

- Develop the department's strategic plan in alignment with the overall objectives of the division.
- Define operational methods, monitor progress, and summarize business plan reports for submission to the manager.
- Manage the department's budget to maximize operational efficiency and benefit.
- Supervise departmental staff to ensure safe and effective performance.

Customer Coordinator Scope

- Coordinate with customers on activities related to Quality Management System (QMS), Environmental Management System (EMS), energy management, and chemical substance control.
- Collaborate with internal personnel to drive successful implementation of related activities.

New Model Activity Scope

- Submit IMDS results for TPT and supplier parts to customers.
