**Job Description****What You'll Do:**

As an Account Manager, you'll be the bridge between our clients and our creative teams, shaping the way global brands tell their stories. You'll manage day-to-day client relationships, oversee complex projects, and help deliver exceptional content solutions that inspire, engage, and perform.

**Your Mission:**

- Be the trusted advisor and primary contact for assigned clients.
- Collaborate with creative, strategy, and production teams to deliver high-quality, on-time, on-budget projects.
- Manage project timelines, scopes, and budgets, identifying and resolving challenges proactively.
- Lead proposals, briefs, and post-project evaluations to continuously improve client impact.
- Drive innovative content solutions aligned with client goals, keeping a pulse on industry trends and competitors.
- Support business growth by contributing to pitches and winning new projects.

**Who You'll Collaborate With:**

- Technology & PMO Division
- Strategy & Solution Division
- Creative Division
- Production Division
- Administration & Cost Management
- Freelance/Vendor Partners

**Why This Role Matters:**

1. **Impact:** Your work will reach audiences globally, with measurable results that show the power of your ideas.
  2. **Innovation:** Gain hands-on experience with cutting-edge marketing practices and technologies.
  3. **Opportunity:** Play a pivotal role during a transformative moment in the automotive industry and help shape the future of content at a time of unprecedented change.
  4. **Growth & Community:** Join a team that values curiosity, collaboration, and connection where learning, mentoring, and belonging are just as important as the work itself.
- 

**Required Skills****\*Who You Are\***

- Experienced (3–5 years) in account management within a creative, advertising, or marketing agency.
- Skilled at managing global brands or cross-functional teams.
- Familiar with creative production across digital, print, video, and experiential media.
- Knowledgeable about content creation, particularly CGI workflows.
- An excellent communicator, presenter, and problem-solver who thrives in fast-paced environments. Ideal for someone who would like to keep using their English skills at work.
- Detail-oriented and organized, capable of juggling multiple projects and stakeholders simultaneously.

**Language Skills:**

- Native-level Japanese
  - Professional English (verbal & written)
-
