Job Description**What You'll Do:**

As an Account Manager, you'll be the bridge between our clients and our creative teams, shaping the way global brands tell their stories. You'll manage day-to-day client relationships, oversee complex projects, and help deliver exceptional content solutions that inspire, engage, and perform.

Your Mission:

- Be the trusted advisor and primary contact for assigned clients.
- Collaborate with creative, strategy, and production teams to deliver high-quality, on-time, on-budget projects.
- Manage project timelines, scopes, and budgets, identifying and resolving challenges proactively.
- Lead proposals, briefs, and post-project evaluations to continuously improve client impact.
- Drive innovative content solutions aligned with client goals, keeping a pulse on industry trends and competitors.
- Support business growth by contributing to pitches and winning new projects.

Who You'll Collaborate With:

- Technology & PMO Division
- Strategy & Solution Division
- Creative Division
- Production Division
- Administration & Cost Management
- Freelance/Vendor Partners

Why This Role Matters:

1. **Impact:** Your work will reach audiences globally, with measurable results that show the power of your ideas.
 2. **Innovation:** Gain hands-on experience with cutting-edge marketing practices and technologies.
 3. **Opportunity:** Play a pivotal role during a transformative moment in the automotive industry and help shape the future of content at a time of unprecedented change.
 4. **Growth & Community:** Join a team that values curiosity, collaboration, and connection where learning, mentoring, and belonging are just as important as the work itself.
-

Required Skills***Who You Are***

- Experienced (3–5 years) in account management within a creative, advertising, or marketing agency.
- Skilled at managing global brands or cross-functional teams.
- Familiar with creative production across digital, print, video, and experiential media.
- Knowledgeable about content creation, particularly CGI workflows.
- An excellent communicator, presenter, and problem-solver who thrives in fast-paced environments. Ideal for someone who would like to keep using their English skills at work.
- Detail-oriented and organized, capable of juggling multiple projects and stakeholders simultaneously.

Language Skills:

- Native-level Japanese
 - Professional English (verbal & written)
-
