- Management of remote operators (part-time staff).
- Other related duties (e.g., translation).

<About Us>

ZenGroup is an e-commerce company based in Osaka, Japan, with over 400 active employees across our headquarters and logistics centers. With a diverse workforce representing more than 34 nationalities, we support the international market in purchasing products from Japan and help Japanese companies sell their products overseas.

ZenGroup currently operates the following seven services:

- ZenPlus: An e-commerce marketplace that connects over 3,000 small to mid-sized Japanese businesses with international customers.
- ZenPromo: A promotional service that helps Japanese companies refine their international marketing strategies and build global brand awareness.
- ZenPop: A monthly subscription box service offering curated stationery items that highlight Japanese kawaii culture and other cultural elements.
- ZenLink: An HTML tag-based service for Japanese e-commerce companies that enables their products to be purchased on ZenMarket, driving international web traffic to their stores.
- ZenStudio: A creative agency specializing in web design and video production, supporting businesses entering digital media or enhancing their e-commerce presence to meet modern trends.

Today, our platform has over 2 million registered users, is available in 19 languages, and serves customers in over 181 countries across six continents—delivering Japanese products to the world.
