Job Description

JOB RESPONSIBILITIES:-

- Assist the Head of Internal Audit in developing and implementing a risk-based annual audit plan, including business process risk assessments and project scheduling.
- Support engagement planning by preparing, executing, and updating audit programs, while identifying emerging issues that may impact the audit plan.
- Ensure audits are conducted in accordance with departmental standards, evaluate internal controls, and supervise staff throughout audit assignments.
- Identify and assess risk and control weaknesses, provide practical recommendations, escalate issues promptly, and follow up on outstanding audit matters.
- Prepare clear and concise audit reports detailing findings, risks, and impacts on operations, financial reporting, and regulatory compliance.

JOB REQUIREMENTS:-

- Degree in finance, banking, accounting, or a related field
- AICB Professional Credit Certification will be added advantage
- At least 8-10 years of experience in credit risk management, including credit products, risk management, and operations, is essential.
