Job Description

Job Description Summary

This role involves managing translation and copy-editing tasks, ensuring high-quality linguistic deliverables for assigned projects or accounts. Responsibilities include coordinating with freelancers and agencies, maintaining language resources, resolving terminology queries, and collaborating with clients and internal teams.

Job Description

- The following is a non-exhaustive list of responsibilities and areas of ownership for this role:
- Performing copy-edit tasks on assigned projects or accounts
- Performing on-demand translation tasks
- Performing lead linguist role on assigned accounts
- Taking ownership of deliverables that were translated internally or by external partners for one or more accounts into their target language
- Preparing, managing and maintaining the language materials (including glossaries, Style Guides, work instruction) up to the quality standards and up to date as required by the account or project
- Managing project-related queries
- Ensuring good interaction among team members and resolving questions on terminology and language matters
- Coordinating with freelancers, agencies and internal linguists on assigned projects or accounts
- Testing and qualifying new freelancers and vendors as required
- Developing and training of internal linguists/new and existing freelancers according to the accounts' and Welocalize's needs
- Interacting with clients on linguistic matters as required
- Participating in the development of new and improved working processes. Propose process improvements.
- Meet or exceed the KPIs in terms of productivity, on time delivery, quality
- Achieving the goals set by the team manager

Required Skills

Education Level

- University degree in Translation/Applied Languages/Linguistic Studies or equivalent combination of education and experience (University degree in other fields plus 2 years of full time experience in translation; OR 5 years of full time professional experience in translation/localization/editing or content writing)

Experience and Skills
