Responsibilities:

- Drive and oversee local financial management, including controlling, accounting, cash, and tax
- Animate group and local financial cycles for consolidation, forecasting, and tax planning
- Manage treasury operations, banking relationships, and audits
- Provide risk and opportunity analysis to optimise performance and ensure tax compliance
- Lead local implementation of corporate policies, guidelines, and internal control frameworks
- Ensure compliance with group standards and local regulations in accounting, tax, and payroll
- Monitor and strengthen internal controls to mitigate financial and operational risks
- Maintain and optimise ERP systems and corporate finance tools
- Oversee HR functions, including recruiting, payroll, benefits, and compliance with employment policies
- Manage administrative procedures, insurance, and company rules to streamline operations

Requirements:

- Bachelor's degree or above in Finance, Accounting, Economics, or Business Administration
- 5-7 years of experience in financial management roles
- Prior leadership experience in a small or mid-sized company
- Proven experience in budgeting, forecasting, and strategic planning
- Experience with debt/equity financing and cash flow optimisation
- Strong knowledge of financial statements, KPIs, and performance metrics
- Knowledge of tax laws, accounting standards, and regulatory requirements
- Possess a valid MBA or CPA qualification preferred
- Professional level Japanese and English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
